Dear Mrs. Wilcock,

Thank you very much for your thoughtful letter of the 25th. Would that more mothers were as concerned with the balance of information considered by the minds of their children.

Yours is a kind letter, and we appreciate it very much.

WHITEWASH is enclosed. The total cost, including postage, is $5.05. Your bookstore has it readily available. All the major distributors, of which the closest to you would be either United News in Phila. or Bookazine in New York, do carry it. We, of course, are happy to mail it to individuals or stores.

Again thanks.

Sincerely yours,

Harold Weisberg
